

# COUNTRY LAKES

WYNNE / JACKSON

One of the true measures of a top-notch masterplan is its selection of homebuilders. At Country Lakes, you'll find street after street populated by beautifully-crafted, family-oriented designs by some of the top builders in the Metroplex.

New homes from the \$160s will make ownership easier. But even more remarkable than the value you'll receive in every Country Lakes home, is the notion that you'll acquire a lifestyle seldom seen in communities in this price range.
